The NACRJ 9th National Conference on Community and Restorative Justice will take place this summer on July 29 - August 1! This year's conference theme is "Re-Envisioning Our Legacies: A Defining Moment," inviting each of us to reflect on our personal and collective legacies: which legacies from our ancestors influence our work, which harmful legacies are we dedicated to overturning, and which legacies do we aspire to pass on to the next seven generations?

Join @NACRJ in answering these questions and creating impactful connections, enabling the exchange of ideas and knowledge, and providing experiences that inspire tangible change.
